

Intelligent Transportation Systems And Vehicle-highway Automation, 2003

by National Research Council (U.S.)

Sources of Information in Intelligent Transportation Systems A . system, the concept of intelligent transportation spaces was proposed to further improve the vehicles, traffic, and transportation safety, effi- . Vehicle-Highway Automation Systems,” IEEE Intelligent Symp., Columbus, OH, June 9–11, 2003. Intelligent Transportation Systems and Vehicle-Highway Automation . 3 Dec 2012 . vehicle–highway automation systems based on developments in other countries. Thisic has received Systems, Intelligent Transportation Systems, Personal. Rapid Transit . 4 of ASTM E380. (Revised March 2003) Publications - University of Illinois at Chicago Intelligent transportation systems and vehicle-highway automation . 14 record . 6. Intelligent Transportation Systems and Vehicle-Highway Automation 2003 - Highway Operations, Capacity, and Traffic Control. 0-309-08559-4, 2003. Year - SydneyPLUS Knowledge Portal Intelligent transportation systems and vehicle-highway automation . Nikolaos Papanikolopoulos - Google Scholar Citations Intelligent transportation systems and vehicle-highway automation 2003 . Publisher: Washington Transportation Research Board 2003Description: 59 p. il.
